

National Conference on Condensed Matter Physics-2017

Indian Statistical Institute, Kolkata

1 - 3 February, 2017

This conference will provide a platform to young and senior researchers to interact with distinguished scientists and to exchange ideas on the emerging trends of research in the field and exploring the scope of future collaborative research.

Important dates :

❖ Last date of abstract submission :

13th January 2017

❖ Intimation to selected participants :

16th January 2017

Registration fee :

Registration fee is to be paid in cash only on spot.

For Research Scholars : **2000 INR**

For Faculty Members : **2500 INR**

Organized by:

Physics and Applied Mathematics Unit

of

Indian Statistical Institute, Kolkata

Organizing Committee:

- Banasri Basu (Coordinator)
- Santanu K. Maiti (Convener)
- Madhumita Saha
- Moumita Patra

Topics:

- Quantum Transport and Mesoscopic Physics
- Magnetic Materials and Spintronics
- Phase Transitions and Critical Systems
- Nanomaterials and Nanostructures
- Strongly Correlated and disordered Systems
- Soft and Biological Matters

Venue:

Physics and Applied Mathematics Unit

Indian Statistical Institute

203 Barrackpore Trunk Road

Kolkata 700 108, India

Abstract should contain valid email-id and phone number of the applicants
