

Seminar Notice

**On 27th July, 2022
[Wednesday]**

Time: 3:00 PM

Venue- PAMU Seminar Room (offline)

Physics and Applied Mathematics Unit
Indian Statistical Institute, Kolkata- 700108

Speaker: Dr. S. K. Venkatesan

Chief Scientist, CQRL Bits LLP, Chennai, Tamil Nadu

Title: Recent development in deep learning: huge transformers and transfer learning.

Abstract: We follow the historical development of deep learning from Markovian models to attention based transformer models and discuss the arrival of huge unsupervised models that will form the starting block of future models.

All are Cordially Invited to Attend

(Head, PAMU)
