

10th International Conference on Pattern Recognition and Machine Intelligence (PReMI'23)

Name of the Award	Prize	Author(s) and Title of the Paper /Thesis /Presentation	Sponsored by Springer
Best Paper Award	1st	<i>Nirjhar Das and Arpan Chattopadhyay, Inverse Reinforcement Learning with Constraint Recovery</i>	Certificate, memento and cash prize
	2nd	<i>Sangranjit Chakraborty, Monalisha Mahapatra and Anup Nandy, Semi-supervised Video Object Segmentation Using Parallel Coattention Network</i>	Certificate, memento and cash prize
	3rd	<i>Subrata Pain, Naincy Vimal, Debasis Samanta and Monalisa Sarma, A Novel Brain Connectivity-Powered Graph Signal Processing Approach for Automated Detection of Schizophrenia from Electroencephalogram Signals</i>	Certificate, memento and cash prize
Best Doctoral Thesis Award @ Professor C. A. Murthy Memorial Colloquium for Doctoral Candidates		<i>Sourav Das, Efficient Language Generation Through Topics and Semantics Exploration</i>	Certificate, memento and cash prize
Best Poster Presentation Award @ Student Research Workshop	1st	<i>Bivin V B, Privacy-preserving Neural Network Architecture for Combining Knowledge from Multiple Parties</i>	Certificate, memento and cash prize
	2nd	<i>Tanusree Ghosh, GAN and DM Generated Synthetic Image Detection in the Age of Misinformation</i>	Certificate, memento and cash prize
