The International Conference on Pattern Recognition and Machine Intelligence (PReMI) is one of the prestigious and leading international conferences in the areas of Pattern Recognition, Machine Learning, Data Mining, Knowledge Discovery, and related fields. The primary goal of the conference is to provide a platform for presenting state-of-the-art scientific results, encourage academic and industrial interactions, and promote collaborative research activities in Pattern Recognition, Machine Intelligence, and related fields, involving scientists, engineers, professionals, researchers and students from India and abroad. The conference is held biennially to make it an ideal platform for people to share their views and experiences in the said areas.

PReMI'23 is the tenth conference of this series, which will be held during December 12 -15, 2023 in Kolkata, a massive metropolitan area called 'the city of joy', situated in the eastern part of India. There will be a few two-hour pre-conference tutorials on December 11, 2023. In association with this conference, proposals are invited for tutorials of 2 hours on emerging topics in the domain of pattern recognition and machine learning from active researchers and engaging presenters, affiliated with academia and/or industry. Please read carefully the submission guidelines below before submitting your proposal.

Proposal submission guidelines:

A tutorial proposal should include the following:

1. Title
2. Names, affiliations, websites, e-mail ids and bios of presenters
3. Name and e-mail id of the lead person for communication and responsibility
4. Short introduction to the topic
5. An outline of the tutorial
6. Expected length of the tutorial (two hours suggested)
7. The level of the tutorial (introductory or advanced)
8. Whether any hands-on are proposed
9. Description of and/or links to any planned materials or resources to be distributed to attendees.

Proposals for the tutorials should be mailed to any one of the Tutorial Chairs (agarwal.swapna@gmail.com, pabitra@cse.iitkgp.ernet.in).

Tutorial selection/evaluation:

Tutorials traditionally attract a broad range of audiences who wish to enhance their knowledge in the selected tutorial topic. The tutorial proposals will be evaluated based on the topic's relevance to the conference, scientific merit, tutorial structure and value addition to the conference and the audience. **The tutorial speaker would be exempted from conference registration fee, and local hospitality will also be taken care of by the conference Organizing Committee.**

Important Dates:

Submission of proposals:	May 15, 2023
Notification of acceptance:	June 15, 2023
Tutorials:	December 11, 2023
Main conference:	December 12-15, 2023

If you are interested in proposing a tutorial, or would like to recommend someone who might be interested, please contact the Tutorial Chairs: agarwal.swapna@gmail.com, pabitra@cse.iitkgp.ernet.in.
