PReMI'23

10th International Conference on Pattern Recognition and Machine Intelligence

December 12-15, 2023

Organized by
Machine Intelligence Unit, Indian Statistical Institute (ISI), Kolkata, India
URL: https://www.isical.ac.in/~premi23/

Call for Participation

Honorary Chairs
Sankar K. Pal
ISI Kolkata
Andrzej Skowron
University of Warsaw, Poland

Conference Chairs
Nikhil R. Pal
ISI Kolkata
Santanu Chaudhary
IIT Jodhpur
Rajat K. De
ISI Kolkata

Program Chairs
Pradipta Maji
ISI Kolkata
Tingwen Huang
Texas A&M University at Qatar, Doha

Organizing Chairs
Deba Prasad Mandal
ISI Kolkata
B. Uma Shankar
ISI Kolkata

Special Session Chairs
Kuntal Ghosh
ISI Kolkata
Monidipa Das
IIT-ISM Dhanbad

Tutorial Chairs
Pabitra Mitra
IIT Kharagpur
Swapna Agarwal
TCS Research, Kolkata

Special Issue Chairs
Hongmin Cai
South China University of Technology, China
Sanjoy K. Saha
Jadavpur University, Kolkata
Malay Bhattacharyya
ISI Kolkata

Doctoral Colloquium Chairs
B. S. Daya Sagar
ISI Bangalore
Tanmay Basu
IISER Bhopal

Industry Liaisons
Narayan Bhamidipati
InMobi, USA
Utpal Garain
ISI Kolkata

International Liaisons
Dominik Ślęzak
University of Warsaw, Poland
Sergei O. Kuznetsov
Higher School of Economics, Moscow

Publicity Chairs
Francisco de A.T.de Carvalho
Federal University of Pernambuco, Brazil
Abhirup Banerjee
University of Oxford, UK

Workshop Chairs
Guo Chen
The University of New South Wales, Australia
Angshuman Paul
IIT Jodhpur

Web Chair
Ekta Shah
Max Planck Institute for Molecular Genetic Germany

Professor C. A. Murthy Memorial Colloquium for Doctoral Candidates

The Doctoral Colloquium will be held on December 14, 2023 (tentatively). It will be a forum for doctoral students to showcase their doctoral research contributions in different topics relevant to the Areas of Interest of PReMI'23. The presenters will benefit from lively discussions and critical feedback from the experts on their work.

The senior doctoral students are requested to submit their applications to participate in this Doctoral Colloquium. Only the PhD students who have already completed *two* years of their doctoral work (after enrolment), but have not yet submitted their thesis, are eligible to apply.

Note: The submitted and presented work to this Colloquium will *not be published as a part of conference proceedings*.

Submission Guidelines:

Submit **a 2-page extended abstract** in PDF (with filename Abstract_NAME.pdf) highlighting your doctoral research contributions so far. The extended abstract must be written following the standard 8.5' × 11' margin with font size no less than 11pt and it must contain the following fields in the given order.

- Title, Name and Affiliation of the Candidate
- Background and Motivation
- Problem Statement/Research Gaps
- Proposed Solutions/Plans (Preferably with a graphical overview)
- Results/Significant Findings (If any)
- Discussions and Future Works

Moreover, the following documents have to be submitted as part of the application:

- A copy of the student identity card in PDF/JPG/PNG format (with name IDCard_ NAME.extension)
- PhD enrolment certificate in PDF/JPG/PNG format (with file name Enrolment_Certificate _NAME.extension)
- A nomination certificate from the doctoral supervisor in a proper letterhead and in PDF (with filename as Nomination_NAME.pdf)
- A list of publications in PDF (with filename as Publications_NAME.pdf)

Submission LINK: https://forms.gle/ReZMfgGCkBnpHkVJ9

Note: The 'NAME' mentioned in the aforementioned filenames should be full name of the submitting student.

Oral Presentations for Doctoral Colloquium: Each oral presentation will be of 30 minutes duration. The allotted time will comprise 25 minutes of presentation followed by 5 minutes of Q/A or discussion.

The presentation slides must be submitted PowerPoint or PDF formats to the organizers in due time which will be informed over email to the selected candidates.

In order to avoid any compatibility issues, please read the following instructions carefully.

- It is recommended that the videos or animations in the slides must run in standalone mode without internet connectivity.
- Moreover, no support can be provided to run embedded videos in the slides.
- Only fonts that are included in the basic installation of MS-Windows will be available (English version of Windows). Use of other fonts not included in Windows can cause wrong layout/style of your presentation.

Registration: The shortlisted candidates do not need any registration to present their research work in the Doctoral Colloquium. However, if they want to attend ALL the sessions of the conference, they need to register as a *Student* and send the filled-in registration form by November 30, 2023. The registration form can be downloaded from the website of PReMI'23.

Note: If the doctoral student has accepted paper(s), already registered in her/his name or already completed registration for attending PReMI'23, then she/he does not need to register again for the Doctoral Colloquium. She/he may present her/his PhD work in the Doctoral Colloquium besides attending ALL other technical sessions of the conference.

Award: Award will be given based on the feedback from an expert committee on the extended abstract, publications and presentation during the colloquium. In addition, every presenter will be recognized with a certificate of participation.

Important Dates:

Deadline for submissions:	**September 30, 2023**
Notification of acceptance:	**November 12, 2023**
Doctoral Colloquium:	**December 14, 2023** (Tentatively)

Any query related to doctoral colloquium may please be mailed to any one of the Doctoral Colloquium Chairs (bsdsagar@yahoo.co.uk; tanmay@iiserb.ac.in).
