INDIAN STATISTICAL INSTITUTE

SEMINAR

Date: May 02, 2025
Time: 11:30 AM

VENUE:

L-infinity

(5th Floor, A.N. Kolmogorov Bhavan), ISI Kolkata

TITLE:

On the groups $J(X)$

SPEAKER:

Risav Kumar Baradia
Stat-Math Unit, ISI Kolkata

ABSTRACT:

We discuss the paper by J.F. Adams On the groups $J(X)$ -I: The Adams conjecture is proven for certain cases. The proof is based on the Dold theorem mod k .

ALL ARE CORDIALLY INVITED
